DETAILED ACTION

Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on April 7, 2004 has been entered.

Specification

A substitute specification is required pursuant to 37 CFR 1.125(a) because of the numerous handwritten changes. Many are not clearly discernable.

A substitute specification filed under 37 CFR 1.125(a) must only contain subject matter from the original specification and any previously entered amendment under 37 CFR 1.121. If the substitute specification contains additional subject matter not of record, the substitute specification must be filed under 37 CFR 1.125(b) and (c)

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 16, 30, 60, and 61 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 16 refers to "the first dielectric film of the third dielectric layer". There is insufficient antecedent basis for this limitation.

Art Unit: 1775

Claim 30 is dependent upon claim 29, which is a canceled claim. Claim 30 refers to "the alloy oxide film". There is insufficient antecedent basis for this limitation.

Claim 60, line 6 refers to "the primer layer". It is not clear which primer layer is referred to.

Claim 61, line 6 refers to "the primer layer". It is not clear which primer layer is referred to.

Allowable Subject Matter

Claims 4, 5, 7, 9, 11, 13, 20, 21, 24, 34, 35, 36, 59, and 62 are allowed.

Claims 16, 30, 60, and 61 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, second paragraph, set forth in this Office action.
